

# SMOKED SALMON RETORTED WILD

Using only the finest quality salmon for smoking. Our salmon is delivered fresh from the waters of the Pacific Ocean to our local smokehouse where it is smoked, fully cooked and vacuum sealed for freshness to retain all its original flavour. It is the most sought-after salmon species due to its rich taste and firm, deep red flesh.

**Ready to serve:** No refrigeration is necessary until you open the package. Refrigerate after opening.

**Available sizes:** 113 g (50 per case), 227 g (30 per case), 454 g (12 per case)
